Daily Rates for FY 2009

Pursuant to Arizona Revised Statute 15-1184, below is the statutory formula funding daily rates for school year July 2008 through June 2009. Rate calculations are based on Arizona's mandated 180 school session days. Facilities operating outside of Arizona will be funded at the rates below for the legislative mandated school session days of the state in which they are operating. Funding will not be provided for any days that exceed the state's mandated session days. Every facility is required to submit a calendar that defines all session days, observed holidays, spring and winter breaks and any other exception days. Calendars are limited to state legislative mandated session days. Year Round schools will only be funded for the state legislative mandated session days for the state in which the facility operates. Extended School Year funding is included in the regular session daily rate; additional funding is not available to facilities to provide ESY services.

A student's daily rate is established based on the age of the student on September 1st. A student who turns 14 years of age on or before September 1st, will be funded for the entire school year at the daily rate in the 9 – 12 column. A student, who turns 14 years of age anytime after September 1st, will be funded for the entire school year at the daily rate in the K-8 column. Fundable Daily Rate is determined by the student's primary disability approved by ADE/ESS.

Funding will not begin until after students are approved by ADE/ESS and a correctly completed claim form is received by School Finance. Only submit claims on students for which a signed voucher approval with a current year number has been received from ADE/ESS.

Funding starts on the latter of date of ADE/ESS approval or date student actually enrolls and begins to receive educational services. Funding ends on the earliest of: expiration date of ADE/ESS approval, date student discharges from facility or date student withdraws and stops receiving educational services. For example - student approval is dated 09/01/08, student enrolls and begins receiving educational services 09/10/08 - 1st day of funding is 09/10/08; student withdraws and stops receiving educational services 11/10/08, student discharges 11/11/08 - last day of funding is 11/10/08.
